

Witch Bounce House? Safety Rules

Updated 8/10/2015

As with any amusement device, there is an inherent risk of personal injury. As such, all persons play at their own risk and peril!

DO NOT operate this unit if winds exceed 15 MPH!

DO NOT inflate or use this inflatable without first securing to ground or stationary devices (sandbags at least 50lbs). Use all stakes and all tethering connections.

DO NOT inflate or use this equipment on damp surfaces or during inclement weather!

DO NOT use silly string!

DO NOT deflate while this equipment is in use!

DO NOT use electronic devices near water inflatables!

MUST take notice of and be familiar with emergency exit on roof!

MUST be placed on a solid level surface!

MUST follow all rules and safety guidelines attached to the inflatable!

NO SHOES	NO DIAPERS	NO GLASSES	NO JEWELRY	NO PREGNANCY
NO ROUGH PLAY	NO SHARP OBJECTS	NO TUMBLING OR FLIPPING	NO MEDICAL CONDITIONS	NO FOOD OR DRINKS

Thank you for choosing Witch Bounce House?

Play safe and have fun!
